

Model: NKR-AC003

AC output : 7/22 kw

### Specifications

<b>Appearance</b>	Wall	Box	H32*W21*T14cm
	Dimension	Weight	8kg
	Cable length		4 meter
	Installation Method		Wall-mounted
	Box Material		Aluminum Alloy
	Screen		5 inch LCD
	Input frequency		50Hz/60Hz
	Rated power		Type 2: 7/22kw Type 1: 9kw
	Precision		Level 1
	Input Voltage		Single phase:230V±10% Three phase:400V±10%
	Output Current		Type 2:7kw-single phase 32A 22kw-three phase 32A Type 1:9kw-single phase 40A
	Consumption	User Interface	<2w
<b>Functional Features</b>		Emergency Stop/LED indicator/RFID	

	Safety Features	Overvoltage/undervoltage protection, overload protection, leakage protection, Overcurrent protection
<b>Communication</b>	Internet Interface	Ethernet(WIFI, 3g/4gLTE as optional)
	OCP	OCP 1.6J
<b>Working environment</b>	Working latitude	<2000m
	Working temperature	-30° C~+55° C
	Working humidity	5 %~ 95%
	Protection level	IP55
	Cooling	Natural cooling
	Safety standards	IEC61851-1/2017
	Special protection	Anti-UV protection
